

Make a DINOSAUR MUNCH! Mask

You will need:

- Scissors
- Glue
- Ribbon or string

1. Ask a grown-up to cut out the mask.
2. Cut out the holes on Munch's nose. These are the eye holes so you can see when the mask is worn.
3. Pierce holes in the small white circles on the edges of the mask.
4. Thread ribbon or string through the hole at the edges to tie the mask around your head.
