about
DINOSAUR WHACK!
The Stegosaurus

1

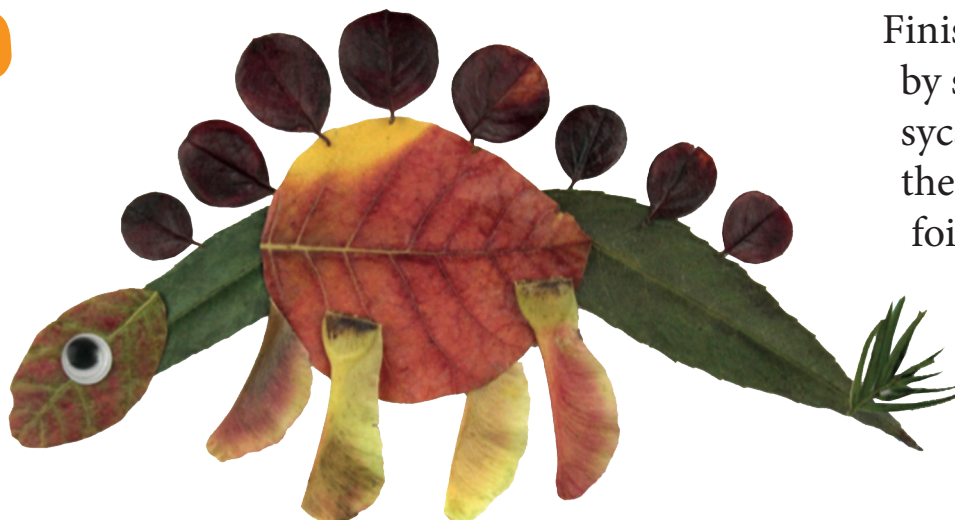

Use a large oval leaf for the body and two longer, thinner leaves for the neck and tail. Stick in place on the card.

2

Stick small round leaves along the neck, body and tail for the spikes. Stick on the head leaf and the googly eye.

3

Finish your dinosaur by sticking on four sycamore seeds for the legs and spiky foliage for the tail

Always ask
a grown up
to help make
things.
